The Publication Section has energetically performed the activities of Research Capacity Strengthening and Research Knowledge Management in DMR by conducting regular publication of Journal, Bulletin, E-Newsletters, dissemination of research findings and health information to the public and also providing photographic services.

SERVICES PROVIDED

1. RESEARCH CAPACITY STRENGTHENING

1.1 PUBLICATION SERVICE

1.1.1 Myanmar Health Sciences Research Journal (MHSRJ)

The MHSR Journals Vol. 27, No. 1, 2 and 3 consisting of 39 articles were quarterly published during the reported year. Thirteen and seven articles have been accepted for Vol. 28, No. 1, Vol. 28, No. 2, respectively in 2015. The journal, printed in 500 copies per issue, presents review articles, original articles, short reports regarding the biomedical sciences from various health research works in Myanmar.

A total of 69 research papers presented at paper reading session and poster display of the 43rd Myanmar Health Research Congress were submitted for the MHSR Journal. The annual meeting of the MHSR Editorial Committee was held on 21 September, 2015 and the new committee which consists of 25 members (Thirteen from DMR and twelve from Medical Universities) was formed.

1.1.2 DMR Bulletin

DMR Bulletin covers international and local news about medicine & health, highlights on useful research findings applicable to health and abstracts of research papers published or read abroad by DMR scientists. In addition, advertisements on Hepatitis B Vaccine Clinic, Cervical Cancer Screening Clinic, Reproductive Health Hot-line, Poison Information Centre, recently available research books at DMR through Central Biomedical

Library and web site addresses launched in DMR are mentioned in the Bulletin. Under the guidance of the Editorial Committee, the articles sent by various divisions and scientific groups of DMR were thoroughly reviewed by the respective committee members. Thirteen abstracts of awarded papers at the 43rd Myanmar Health Research Congress, as well as one awarded paper from the 1st Myanmar Pharmacists' Research Conference apart from 34 out of 247 International News about Medicine and Health articles sent by DMR scientists were published from January to December, 2015.

1.1.3 DMR E-Newsletter

During the year under report, 4 monthly issued DMR E-Newsletter Vol. 4, No. 3, Vol. 5, No.1 and Vol. 5, No. 2 were circulated to current and retired staff of the DMR through Online service.

1.1.4 Special Publications

Annual Report (2014), DMR Pamphlet, ကျော်ဇင်သန့်နှင့် ရောင်းရင်းများ ရေးသားသော ကျန်းမာရေး သုတေသနအတွေးအမြင် စာစုများ (၂၀၁၅) were published in 2015.

1.1.5 Others

The History of Medical Education in Myanmar (1886 to 2010) published by Myanmar Academy of Medical Science was formatted to get Print-Ready Version during the year under report.

1.2 DELIVERY SERVICE

The mailing lists of the MHSR Journal and the DMR Bulletin were regularly updated according to the supervision of the Editorial Committee. The MHSR Journals are distributed to the health institutions (up to the district hospitals) as well as some international organizations. The Bulletins are also delivered all over the country (i.e., up to township hospitals) by postal services and emails. The delivery lists of the MHSR Journal and the Bulletin are as follows.

No.	Distributed places	MHSRJ	Bulletin
1.	Yangon Region (Departments, Medical Universities, Hospitals)	110	170
2.	Nay Pyi Taw (Ministerial Office, Departments, Hospitals)	80	79
3.	Other States & Regions	94	397
4.	DMR [All divisions & retired staff]	118	109
5.	Authors & Reviewers	30	-
6.	Foreign Institutions	10	-
Total		442	755

1.3 MHSR JOURNAL WEBSITE (www.myanmarhsrj.com)

Under the guidance of the MHSR Journal Editorial Committee, MHSR Journal website was launched as a part of upgrading the journal to meet the international standard. The journal's website has been launched with address of **myanmarhsrj.com**. All interested users can currently access full text of all articles published as members of the MHSR journal website. Online Submission for MHSRJ is underway.

1.4 DMR OFFICIAL WEBSITE (www.dmrlm.gov.mm)

The publications of DMR: MHSR Journals, Bulletins, E- Newsletters and Annual Reports, and Events of DMR (monthly) were regularly updated at the Official Website (www.dmrlm.gov.mm) so as to disseminate health information effectively.

2. RESEARCH KNOWLEDGE MANAGEMENT

As one of the Research Knowledge Management Programmes, the up-to-date research findings and health related information of DMR are timely released to the public through the media including newspapers, journals and TV channels (MRTV, Myawaddy, MRTV4, Sky Net & Myanmar International). During the year under report, necessary services for the Health Information Dissemination of the department has been provided.

2.1 A total of 9 Health Education Programmes related to medical research, talked by DMR scientists were broadcasted through Sky Net TV Health channel to the public.

- (က) ၄၃ ကြိမ်မြောက် မြန်မာနိုင်ငံကျန်းမာရေးဆိုင်ရာသုတေသနညီလာခံ
- (ခ) မြေကြီးမှတစ်ဆင့် ကူးစက်တတ်သော သန်ကောင်များနှင့် ကလေးငယ်များ၏ ကျန်းမာရေး
- (ဂ) သားအိမ်ခေါင်းကင်ဆာရှာဖွေဖော်ထုတ်စမ်းသပ်ဆေးခန်း
- (ဃ) HIV ၏နောက်ဆက်တွဲဆိုးကျိုးများနှင့် ကလေးများအနာဂတ်ဘဝရှင်သန်လှပရေး
- (င) သောက်သုံးရေနှင့်အာဆင်းနစ်အန္တရာယ်
- (စ) ကွမ်းသီးနှင့်အာဖလာတောက်ဆင်ဘီဝမ်း
- (ဆ) အစာအိမ်ရောဂါနှင့်ဟယ်လီကိုဘက်တာ
- (ဇ) ကိုယ်လက်လှုပ်ရှားမှုမရှိခြင်း၏နောက်ဆက်တွဲဆိုးကျိုးများ
- (ဈ) ခန္ဓာကိုယ်တွင်းဖြစ်စေတတ်သည့်အဆိပ်အတောက်များဖယ်ရှားနည်း

2.2 A total of 7 Health Research articles written by DMR scientists were appeared in the Sunday supplementary issues of Kyaymon newspaper in 2015.

- (က) ကြိုတင်ကာကွယ်မြေ့အန္တရာယ်
- (ခ) သုတေသနစွမ်းအားမြှင့်တင်ခြင်းနှင့် ဗဟိုဇီဝဆေးပညာစာကြည့်တိုက်၏အခန်းကဏ္ဍ
- (ဂ) သုတေသနလုပ်ငန်းအတွက် ဓာတ်ခွဲခန်းတိရစ္ဆာန်များအသုံးပြုခြင်းနှင့်သုတေသနကျင့်ဝတ်များ
- (ဃ) ရိုတာဗိုင်းရပ်စ်ဝမ်းလျှော့ဝမ်းပျက်ရောဂါအကြောင်းသိကောင်းစရာ
- (င) သုတေသနရလဒ်အသုံးပြုမှုနှင့် ဝက်သက်-ဂျီကဲသုံးရောဂါကာကွယ်ဆေး
- (စ) သွေးတွင်းအဆီဓာတ်ပမာဏမြင့်မားခြင်းကိုလျော့ကျစေနိုင်သောဆေးဘက်ဝင်အပင်များ
- (ဆ) ၄၄ ကြိမ်မြောက် မြန်မာနိုင်ငံကျန်းမာရေးဆိုင်ရာသုတေသနညီလာခံအကြို

2.3 Press Release was conducted daily by members of the Information Subcommittee during the period of 43rd Myanmar Health Research Congress in January, 2015.

3. OTHERS

3.1 PHOTOGRAPHIC SERVICE & OTHERS

Photographic works have been carried out for documentations of various academic and social activities held in DMR including Myanmar Health Research Congress, workshops, seminars, scientific talks, symposia and meetings. During the period under report, the photographic service was carried out for 113 occasions of the above various activities held in DMR. Binding work was done as necessary.
